Outsmart AI With This Special Offer from GoReact!

Because other departments at your institution are already loving our technology, we've got a **special offer** just for you to expand GoReact across your campus at an amazing **discount of up to 90%!**

Now's your chance to rethink your institution's assessment strategy to ensure all your students are being assessed authentically at the start of the new academic year — with this incredible offer from GoReact!

With a proven combination of video + feedback, GoReact is the most effective way to navigate around AI-assisted answers and authentically assess student knowledge.

Let's chat about this exclusive offer, crafted especially for you as a valued GoReact customer. After our meeting, you can outline your plan for outsmarting AI with GoReact in this cool notebook.
